

Employer Briefing:

Seeking employers interested in hiring young adults for 1 or 2 work terms, each lasting 5 months, beginning

September 2016 or March 2017.

What

These work terms are part of the innovative *Discover Year* program by MentorU, a new social enterprise in Ottawa. This year-long program helps young adults find their true passions in life and build self-confidence. The *Discover Year* includes:

- **Experiential learning** through work, travel and community service
- **Transferable skills development** through workshops, career panels and discussions
- **Career Counselling** through individual coaching sessions

Who

High school, college or university graduates aged 18 to 22 years old

When

Work term 1: September 2016 to January 2017 (5 months)
Work term 2: March 2017 to July 2017 (5 months)

Details

Speed Interviews: August 10, 2016 and January, 11 2017

Work Schedule: 30 to 40 hours per week

Wages: These are paid positions. Minimum wage or higher applies.
